

Budget Audit Checklist

Use this checklist to review and improve your budget each month:

- ☐ Have I accounted for irregular expenses this month?
- ☐ Did I track all daily spending accurately?
- ☐ Is my budget overly complex or overwhelming?
- ☐ Have I updated my budget based on recent changes?
- ☐ Did I include any 'fun money' or joy-based spending?
- ☐ Am I checking in with my budget weekly or monthly?
- ☐ Are there recurring subscriptions I'm not using?
- ☐ Am I spending more than I'm earning?
- ☐ What was one financial win this month?
- ☐ What one thing will I tweak or improve next month?
